The Children's Ministry is dedicated to lovingly nurture Christ's youngest disciples through the studying of his word and joining in his service through praise and fellowship.

With the assistance of our dedicated church members, we will strive for children to walk away from the experience of this ministry understanding God's word and God's love.

Teaching these fresh minds is definitely a team effort; we encourage you to talk with your child at home about what they are learning, where they can share their talents, and most importantly how they are sharing God's Love with others.
